Confirmed Proof

Residents of Norway Cannot Doubt What Has Been Twice Proven.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. (Residents of this vicinity who so testified years ago, now say the results were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Norway kidney sufferers.)

Mrs. Georgia Thayer, Pleasant St., South Paris, Me., says: "The public statement I made several years ago regarding Doan's Kidney Pills still holds good. I am glad to confirm it. This remedy helped me when I was suffering from kidney trouble. I advise other people who have kidney complaint to Doan's Kidney Pills a trial."

Weak Kidneys often the Result of Overwork.

On several occasions I have been unable to work and suffered severe pains in the back, due to my kidneys. I called on a doctor of Ripon, Wis. but received no relief.
I tried Dr. Kilmer's Swamp-Root which gave me instant relief. I was then able to resume work. Swamp-Root is the only relief I can get from kidney disease which I am subject to in the spring of the year. I am writing this testimonial through my own free will that sufferers of kidney and bladder diseases will know of the wonderful merits of Swamp-Root. I recommend Dr. Kilmer's Swamp-Root whenever I can and always have a bottle of Swamp-Root in my home.
I purchased Swamp-Root of Mr. C. J. Burnside, Druggist, of 202 Main Street, Ripon, Wis.
Very truly yours,
THOMAS J. LYNCH.
525 Newbury Street, Ripon, Wis.
I have read the above statement that Thomas J. Lynch bought Dr. Kilmer's Swamp-Root at my store and made oath the above statement is true in substance and fact.

Old Santa in Trouble.

By LYDIA F. LORD.
Santa Claus sat on his wife in his home filled with comfort and ease. He was telling her of his trials in life and his experience in Christmas trees. His story begins when Santa was young, and his children were all in their beds before the overgrown tree was strung with popcorn and candy and sleds. Seating himself on a rug on the floor covered with handkerchiefs and bags, began running the names of the children over. While his wife she pined on the tags. He said I will show them how Santa Claus So good and true to the very life. Before he had a look in any old books For a picture of him or his wife. So he bundled himself in his great fur coat That reached from his toes to his chin. He looked very much like a big bulky bear. So long were his whiskers and thin. Then taking under each arm a wadded, away up the stairs he did prance. Until he came to his children's bed. Then he scratched a match on his pants. It lit his eyebrows and hair as well. Yes it burned poor Santa Claus quite black. For him it was not any joke. Also and black, he must ever come back. For he went up the chimney in smoke.

1914; Resolved

That we will endeavor during the year 1914, as we have since the organization of this Bank, to devote our time, skill and capital to promoting the welfare of this Bank and its customers.

AMONG THE IMPORTANT NEW YEAR resolutions is this: "I will watch my expenses closer this year."

This Bank will be glad to help you keep that resolution. A checking account here will do it. There is no expense in opening an account—the Bank furnishes, free of charge, all check books, deposit slips, envelopes, etc.

A thrifty person can do wonders toward getting ahead if he conducts his business in a systematic way with a bank account.

TO INVEST YOUR MONEY WISELY, WE SUGGEST that you buy safe municipal bonds, which are exempt from all United States taxes.

To collect the interest on bonds is easy and sure—cut off the coupons and cash or deposit them. There is no waiting for the interest; you know it will be forthcoming when due. In addition to municipal bonds, we own and offer for sale safe bonds, issued by railroads and public service corporations, at prices to yield a good rate of interest.

TO OFFSET THE RISING COST OF LIVING by your Money Orders of this Bank and save from one cent to fifteen cents on each Order purchased. They are good anywhere. They are guaranteed against loss of payment, and you do not have to go through any red tape to obtain one. The party to whom you send it, can obtain the cash on it the same as if it were a check.

TO THE TRAVELER: TO ADD TO HIS CONVENIENCE and pleasure while traveling, we offer Travelers' Cheques of the American Bankers' Association, which are self-identifying, will be cashed without charge by railroads, hotels, stores and steamship lines over the world.

On Saturday, Dec. 20th, fire destroyed a set of farm buildings in Otisfield and the flames spread with such rapidity that it was impossible to save \$35 in currency that was in a coat pocket on the second floor. If the owner of that money had placed it in this Bank and taken a Certificate of Deposit for it, he would have lost merely the Certificate, and by obtaining a duplicate, could have received his money from the Bank without delay or bother.

WHENEVER YOU HAVE ANY MONETARY TRANSACTION on hand, call or write us and take advantage of these different conveniences. You will receive courteous treatment and the advice, co-operation and assistance of the Bank in the protection and care of your capital. No person, regardless of what their business is, can afford to be without a good strong banking connection.

Why not transact your business with a Bank that is strong, that has stood the test of years, that is up-to-date and employs progressive methods? If you conduct your business with this old-established, growing NATIONAL BANK you will have the satisfaction of knowing that your money is safe, that it can be obtained when desired, that no matter what kind of business convenience is desired—whether foreign exchange, money orders, investments or a bank account—it can be obtained here. The knowledge that this Bank has weathered all panics and financial disturbances since 1872—forty-two years—and has been growing stronger all the while, is worthy of your serious thought. Then too all business transacted with this Bank is held in the strictest confidence.

WE INVITE YOU TO DO ALL YOUR BUSINESS DURING THE YEAR 1914 WITH US. IT MAKES NO DIFFERENCE IF YOU LIVE AT A DISTANCE, YOU CAN TRANSACT IT BY MAIL JUST AS EASILY.

Build Up Your Sick Stomach

Mi-o-na Soothes the Irritated Membranes, Stimulates and Strengthens the Stomach.

Mi-o-na is one of the most effective and safe remedies for out-of-order stomachs. It increases the flow of the gastric juices, soothes the irritated membrane, and quickly and safely benefits the digestive system so that your food is promptly converted into nutrition and the entire system properly nourished. Then you are well and strong.
If you lack an appetite, your tongue is coated, nerves on edge, have risings of sour and undigested food and experience after eating distress you are suffering with indigestion or sick stomach.
Get a fifty cent box of Mi-o-na from Noyes Drug Store and begin now to build up your sick and worried stomach. Do not delay, many serious diseases start from what was thought to be only a upset stomach. Money refunded if not benefited. 2-5

Like Poison is the Gas of Indigestion

Kellogg's Tasteless Castor Oil Clears Gas Out Quickly.

Thousands of distressed persons will go back to using castor oil now that it is tasteless.
There is nothing like Kellogg's Tasteless Castor Oil to clear out the "inner man." It is a relief for the pain and bloating of gas.
Kellogg's Tasteless Castor Oil is a new and remarkable discovery. The nauseous taste and smell are taken out, but nothing else. It's all of the oil, but none of the taste, and so well purified that it acts better, without griping, and does not upset the stomach. Children take it readily.
Women and workers indoors find Kellogg's Tasteless Castor Oil a quick relief from the distress of poor digestion, and it is a perfect laxative. Kellogg's is not mixed or flavored, just a true, tasteless castor oil.
Ask for Kellogg's Tasteless Castor Oil at any drug store. Not sold in bulk, but in 25c or 50c bottles, trade-marked with a green castor leaf bearing the signature, Kellogg's. Made only by Spencer Kellogg & Sons, Inc., Buffalo, N. Y., refiners of vegetable oils.

Harken Back on The Past.

Thirty Years Ago This Week.
Francis A. Danforth fell into the lake when cutting ice. He fell "sprinkling" to immersion especially in ice cutting weather.
John Mead & Son of North Bridgton are doing the freestone in Kimball Hall. "Know-it-all-Tom," Geo. T. Crockett, says he wasn't to blame because his hair was too short to be pulled. That was about the time he received the gentle hint that O. B. Cummings did want him in the past shop.
National Bank officers were elected last Tuesday:
Pres.—H. M. Beare.
V. Pres.—C. N. Tubbs.
Directors—H. M. Beare, C. N. Tubbs, Alva Shurtlett, S. L. Millard, K. Hammond, Luther F. Pike and W. H. Whitcomb.
All of the above have been "called in" save two, C. N. Tubbs, who now is president and H. D. S. Smith, cashier.
Clarence E. Bang has bought the Norway Bakery of Mrs. Pingree and is to carry on this business. John H. Hazeltin will drive the cart.
Benj. Nevers of Sweden has hay in his barn that was cut in 1904—almost half a century ago. It looks bright and cattle readily eat it. Wonder if any of that hay is now in the barn?
Hammond & Carter of Paris Hill recently cut a sapling pine that scaled 3882 feet.

Rev. Isaac J. Mead.
Rev. Isaac J. Mead, an associate editor of the Universalist Leader of Boston, and for some years editor of the Universalist Banner, the Maine publication of the denomination, died suddenly of heart disease in a store in Boston.

Mr. Mead was born in Canandaigua, N. Y., in 1840. He was ordained to the Universalist ministry at Hiram, Nov. 5, 1878, and subsequently served the Hiram and Denmark churches as pastor. Later the Denmark church was dropped and the circuit became Hiram and Brownfield, as it is today.
In 1876, Mr. Mead was elected secretary of the Maine Universalist Convention, and continued in this office eight years. In the meanwhile the churches at Hiram and Brownfield were served by him as their pastor until 1878, when he went into the field as superintendent of churches of the denomination of Maine. He was the first field secretary of the convention.
In July 1888, Mr. Mead became editor of the Gospel Banner, the State Universalist publication, which was published at Augusta. He continued to be editor of the Banner until the paper was absorbed by the Universalist Leader, the last issue of the Banner being Nov. 4, 1897, and he became associate editor of the Leader. He then removed to Boston.

Mrs. Eliza W. Merrill of Gray is 103 years old. Bridgton is her native place and her parents removed to Brownfield when she was two years of age, where she lived during her girlhood and where she married Enoch Merrill. Except for a few years during her early married life, she has always lived in Gray where Mr. Merrill died in June, 1910 at the age of 93 years.

Throat Trouble.

Mr. Barnes used to be sheriff of Warren County, Tennessee. From exposure to the elements he acquired throat trouble. He supposed that his health was entirely ruined, in spite of all the treatment he could procure.

After using four bottles of **McMinnville, Tenn.** he claims that he was entirely restored to health.

Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease germs have easy access to the system. Keep the throat well and clean. This is the way to protect yourself against contagious diseases. Gargle the throat as explained in the new "Tills of Life," sent free by the Peruna Co., Columbus, Ohio.

Mr. Barnes says: "I had throat trouble and had three doctors treating me. All failed to do me any good, and pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely cured."

Norway Lake Supply Co.

Hail to the advent of nineteen fourteen;
Joy may it bring to all whom we know.
Bright be the sunshine that hovers around you;
Merry the jingle of bells o'er the snow.

Here at our Lake store the salesmen are busy
With cotton seed, Haskell's, oats, meal, and corn.
Flours of all kinds may be had at a bargain;
Peerless and Occident need no big horn.

If it's sugar, molasses or coffee you're needing,
Grape fruit or cranberries, lard, fish or beans,
Here's where you'll get them of largest assortment;
Even shirts, coats and mittens and nobby blue jeans.

If with a cold or the grip you are aching,
Quinine and menthol will stop all your pain;
There are plasters and pills and Hood's Sarsaparilla,
Scraproot and bitter to make you all gain.

Then hail to the coming of nineteen fourteen,
Happy contentment to all who may call.
Here's where you'll find your every day bargains
In summer and winter, in spring and in fall.

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.
